Hi Loren and Dave,  
I think I have a good sense of how this should be responded to, but I would like to speak with you both first before responding to the reporter. Thanks!

Hi Kelly, I just wanted to check in and see if EPA has any plans to get involved in the treasure Island cleanup. I understand it would have to be placed on the national priorities list for that to happen - can you check and see if there's any thoughts of doing so? What exactly is the process for that? Thanks so much!
